#### Curriculum: Final year

#### **Core modules**

Thesis: Hydrogeology 990 (GTX 990)

Module credits 360.00

NQF Level 10

**Prerequisites** No prerequisites.

**Language of tuition** Module is presented in English

**Department** Geology

Period of presentation Year

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The General Academic Regulations (G Regulations) and General Student Rules apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
