

# University of Pretoria Yearbook 2022

## MSc (Sports Science) (Biomechanics) (10253145)

**Department** Biokinetics and Sports Science

**Minimum duration of study** 1 year

**Total credits** 180

**NQF level** 09

### Programme information

In accordance with the stipulations of the General Academic Regulations G30-G41, the MSc degree is conferred by virtue of an examination, or an examination and a dissertation, or an examination and an essay, or a dissertation.

Note:

All MSc students must register for, and attend (TNM 802) Applied research methodology 802 satisfactorily. (Exemption may be granted if the module has already been passed for the BScHons degree.)

All the stipulations pertaining to coursework master's degrees and postgraduate studies in accordance with the General Academic Regulations apply. Subject to the stipulations of the General Academic Regulations, the Chairperson of the School in question may, in consultation with the relevant head of department, approve a fixed limited extension of the period on the grounds of extraordinary circumstances.

### Admission requirements

1. Honours degree in Sports Science **or** relevant honours degree
2. Cumulative weighted average of 60% for the honours degree
3. An average of 65% for each of NMR 702 (research) (or equivalent) and MBK 705 (biomechanics) (or equivalent)

### Additional requirements

Admission to this programme requires an honours degree in Sports Science with a minimum average mark of 60%, a mark of 65% in NMR 702 and MBK 705, and a master's research proposal that has been accepted by the Departmental Research Committee, the Postgraduate Committee and Ethical Committee of the Faculty of Health Sciences.

### Research information

#### Research protocol

After registration, a student is required to submit a complete research protocol regarding the proposed

dissertation to the MSc Committee of the School and if necessary, also to the Ethics Committee for approval.

### **Dissertation**

A dissertation must be submitted via Student Administration at least three months prior to the date of a particular graduation ceremony. A manual on the editing of dissertations is available on request from the relevant head of department.

## **Pass with distinction**

The MSc (Sports Science) Option: Biomechanics is conferred with distinction on a student who has obtained at least 75% in the dissertation.

## Curriculum: Final year

### Core modules

#### Dissertation: Biomechanics 892 (POK 892)

<b>Module credits</b>	180.00
<b>NQF Level</b>	09
<b>Language of tuition</b>	Module is presented in English
<b>Department</b>	Biokinetics and Sports Science
<b>Period of presentation</b>	Year

#### Applied research methodology 802 (TNM 802)

<b>Module credits</b>	0.00
<b>NQF Level</b>	09
<b>Language of tuition</b>	Module is presented in English
<b>Department</b>	Health Sciences Deans Office
<b>Period of presentation</b>	Year

#### Module content

\*Attendance module only.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
