## MPhysio (Orthopaedic Manual Therapy) (Coursework) (10258213)

**Department** Physiotherapy

**Minimum duration of study** 2 years

**Total credits** 180

**NQF level** 09

### Admission requirements

1. BPhysio (or equivalent) degree **or** relevant bachelor's degree **or** relevant honours degree
2. Registration as a physiotherapist with the Health Professions Council of South Africa (HPCSA)
3. Employment in a part-time/full-time position appropriate for the field of study

### Additional requirements

- i. For the MPhysT degree, students must also hold at least a part-time position, deemed applicable for master's degree studies by the relevant head of department.
- ii. Candidates will be required to provide proof of having successfully completed applicable postgraduate modules in clinical fields of specialisation, e.g. Orthopaedic Manual Therapy 1, before the MPhysT degree will be conferred.
- iii. During the MPhysT studies, students must participate in formal departmental instruction and/or research programmes of at least 60 hours per year.
- iv. Postgraduate modules for all the fields of specialisation for the MPhysT degree with coursework, are offered on a biennial basis, if at least five applicants apply for admission to a particular field of specialisation. The closing date for new applications is 31 October annually. Applicants will be notified as soon as possible after this date, whether or not a particular field of specialisation will be presented in the subsequent year. Commencement of studies must, therefore, be discussed beforehand with the relevant head of department.

Also consult General Academic Regulations G30-G41.

### Other programme-specific information

Candidates who have passed with at least 60% in corresponding modules to those indicated by the department during the four-year BPhysio degree studies or an equivalent degree programme must, in consultation with the relevant head of department, select relevant modules from any faculty of the University of Pretoria, instead of the modules in question to the value of at least 40 credits, provided it can be accommodated in the class and examination timetables.

## Examinations and pass requirements

- i. The examinations in the prerequisite modules will take place prior to or concurrently with that of the major subject as determined by the relevant head of department.
- ii. The examination consists of a written and a clinical as well as an oral component.
- iii. A subminimum of 50% is required in each section of the examination, with a final mark of at least 50% to pass.
- iv. A student will be granted a second opportunity to take part in the examination in the major subject after at least six months have elapsed since the original examination took place.
- v. Students must submit a publication that has been accepted by an accredited journal for publication before the degree will be conferred.
- vi. Candidates who submit certificates of successful completion of modules in the Continued Professional Development programme with a view to admission to the MPhysio with coursework, must pass in an open examination in the module in question in order to retain credits.

## Pass with distinction

The degree is conferred with distinction on a student who has obtained an average of at least 75% (not rounded) in the major module and the prerequisite modules, and at least 60% in all other prescribed modules.
