### Module content

Southern African Stone Age, Iron Age, Pastoralism, and Historical Archaeology are the main topics discussed. What types of people were making ESA, MSA, and LSA, when did hominids first leave Africa, southern African rock art, the origins of livestock herding, the development and decline of complex societies in southern Africa, and postcolonial approaches in archaeology are some of the focus areas.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
