Programme information

Supply chain managers oversee some of the most essential business processes affecting the profitability of firms today. These managers are responsible for synchronising the flow of products, information, and funds between their organisations and both their suppliers and customers in a way that adds value for the end consumers of their products.

The programme content focuses on key issues such as the fundamental theory of supply chain management, contemporary issues in supply chain management and strategic management and leadership.

The programme consists of coursework and a research article. The coursework part of the degree programme is offered during the first and second semester of the first year of study and the research article during the second semester. The coursework is presented by means of five contact sessions per module during the first and second semester. Contact block weeks will take place after-hours on a Monday to Thursday evening from 17:30 – 21:00 during the first semester and on a Monday evening from 17:30 – 21:00 during the second semester. Attendance of the contact sessions is compulsory. All lectures, tests and examination sessions will be conducted at the University of Pretoria's main campus in Hatfield. Students have a maximum of two years to complete the MPhil degree but it is advisable to complete the programme in one year.

University of Pretoria Programme Qualification Mix (PQM) verification project

The higher education sector has undergone an extensive alignment to the Higher Education Qualification Sub-Framework (HEQSF) across all institutions in South Africa. In order to comply with the HEQSF, all institutions are legally required to participate in a national initiative led by regulatory bodies such as the Department of Higher Education and Training (DHET), the Council on Higher Education (CHE), and the South African Qualifications Authority (SAQA). The University of Pretoria is presently engaged in an ongoing effort to align its qualifications and programmes with the HEQSF criteria. Current and prospective students should take note that changes to UP qualification and programme names, may occur as a result of the HEQSF initiative. Students are advised to contact their faculties if they have any questions.
