

University of Pretoria Yearbook 2025

MPhil specialising in Insolvency and Business Rescue (Coursework) (07255350)

Department Business Management

Minimum duration of study 1 year

Total credits 190

NQF level 09

Programme information

Closing date for applications: SA applicants – 30 November; non-SA applicants – 31 August of the year preceding the year of first registration.

This programme is structured to allow for one year of study, therefore the programme may be completed within two semesters (1 year), subject to fulfilment of all the requirements for the degree and payment of the fees as prescribed for the MPhil degree.

The Faculty of Economic and Management Sciences should be contacted with regard to specific regulations pertaining to the MPhil degree programme.

Admission requirements

1. Bachelor of Commerce Honours degree in an academic discipline related to financial management or business management with a weighted average of at least 60%
or
2. Four-year Law degree with a weighted average of at least 60%
or
3. NQF level 8 qualification with a minimum of 120 credits in an academic discipline relevant to this MPhil programme with a weighted average of at least 60% and as approved by the departmental selection committee of the Faculty of Economic and Management Sciences

Other programme-specific information

The mini-dissertation must comprise 13 000 to 15 000 words – including footnotes but excluding the list of contents and the bibliography. (The methodology and content of the mini-dissertation should reflect a multidisciplinary perspective on the insolvency and rescue industry's policies, management and regulation.)

Any request for an extension of the submission of the mini-dissertation will only be granted by the Dean of

Economic and Management Sciences, on recommendation of the Postgraduate Committee.

Examinations and pass requirements

Refer to General Academic Regulation G39.

The pass mark for both a dissertation and a mini-dissertation is 50%. The provisions regarding pass requirements for dissertations, contained in General Academic Regulation G39, apply mutatis mutandis to mini-dissertations. A pass mark of at least 50% is required in the examination of each module.

In the event of having failed all modules during a particular year of study, a student will only be allowed to continue with his/her studies with the consent of the Postgraduate Committee.

Research information

The relevant head of department must recommend a supervisor and title for the mini-dissertation, which must be approved by the Postgraduate Committee. The mini-dissertation must be assessed and finalised as set out in the Economic and Management Sciences or Law Faculty Boards approved MPhil Policy Document of the respective faculty, where required. The mini-dissertation must be submitted in the format as determined by the supervisor and approved by the Postgraduate Committee. The supervisor may likewise, subject to the approval of the Postgraduate Committee, also determine the research topic and scope of the proposed research.

Pass with distinction

In order to be awarded a postgraduate degree/diploma with distinction, a student must meet the following criteria:

- Obtain a Grade Point Average of at least 75% including at least 75% for the mini-dissertation in the case of a coursework Master's degree.
- Complete the degree within the minimum period prescribed.
- Only the final mark of the first attempt to pass the modules or dissertation will be considered.
- The GPA will be not be rounded up to a whole number.

Curriculum: Final year

General Academic Regulations and Student Rules

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations. The G Regulations are updated annually and may be amended after the publication of this information.

Regulations, degree requirements and information

The faculty regulations, information on and requirements for the degrees published here are subject to change and may be amended after the publication of this information.

University of Pretoria Programme Qualification Mix (PQM) verification project

The higher education sector has undergone an extensive alignment to the Higher Education Qualification Sub-Framework (HEQSF) across all institutions in South Africa. In order to comply with the HEQSF, all institutions are legally required to participate in a national initiative led by regulatory bodies such as the Department of Higher Education and Training (DHET), the Council on Higher Education (CHE), and the South African Qualifications Authority (SAQA). The University of Pretoria is presently engaged in an ongoing effort to align its qualifications and programmes with the HEQSF criteria. Current and prospective students should take note that changes to UP qualification and programme names, may occur as a result of the HEQSF initiative. Students are advised to contact their faculties if they have any questions.
